

I am a faithful listener of K-Love. It is an awesome Christian radio station and unique in my area. If it were displaced by LPFM our community would not have a family friendly, uplifting station as an alternative. I have known people whose lives have been changed by the positive, encouraging music and comments on this station. Many, many people in my area listen to K-Love and our community would be lost without it. Without a translator K-Love would not be able to be heard here. PLEASE keep it on! It has bettered my life and the lives of my family members and friends. In this world of negative and off color comments bombarding us all day long, K-Love is a breath of fresh air and truly makes our world better. Thank you for considering this comment in your decision.
